DESCRIPTION

2024 Hyundai Kona Preferred AWD w/Trend Package, ONE OWNER, REMOTE START

This 2024 Hyundai Kona is a practically brand-new vehicle, with only 3,697 km on the odometer and just one previous owner. The owner decided to upgrade to a Nissan Pathfinder for more space, but this Kona still offers plenty of features to impress. It comes equipped with a sunroof, allowing for a little extra sunshine or fresh air on the road. The wireless phone charger ensures your devices stay powered up without the hassle of cords, and remote start adds an extra layer of convenience, especially on those chilly mornings. With its low mileage and modern features, this Kona is a great find for anyone looking for a compact, well-equipped SUV.
